Understanding Establishes Rapport Between Principals and Student Body

MR. WILLIAM PARTEN

For the past three years, the Spring Senior High School's progress has been guided by its principal, Mr. Parten. Many were aware of the ease with which he handled serious problems and difficulties and appreciate his personal interest in the students.

Frequently visiting classrooms, he has observed class activities and expressed the pride and affection in our outstanding student body. Constantly working for the betterment of our school, his decisive steps have brought fresh ideas resulting in a more modern atmosphere for the future. "Expansion is good as long as we can accommodate the facilities for the students" is his opinion on the growing school district.

Fishing and hunting are leisure pastimes for Mr. Parten.

MR. LAYTON KEITH

Extremely happy with his new position, Mr. Keith has become the first Vice-Principal of Spring Senior High School.

Students were quick to recognize his concern for everyone and noticed the steps he took to provide a more liberal policies pertaining to curriculum and dress codes.

We saw him popping into classes, conversing with students in the halls, and acting as advisor to all.

More than likely, though, he is busy with the many new and challenging responsibilities he obtained as Vice-Principal.

His special interests, besides those of Spring students, are trout fishing and tennis.

Guidance Coaxes, Threats, Pushes, Praise

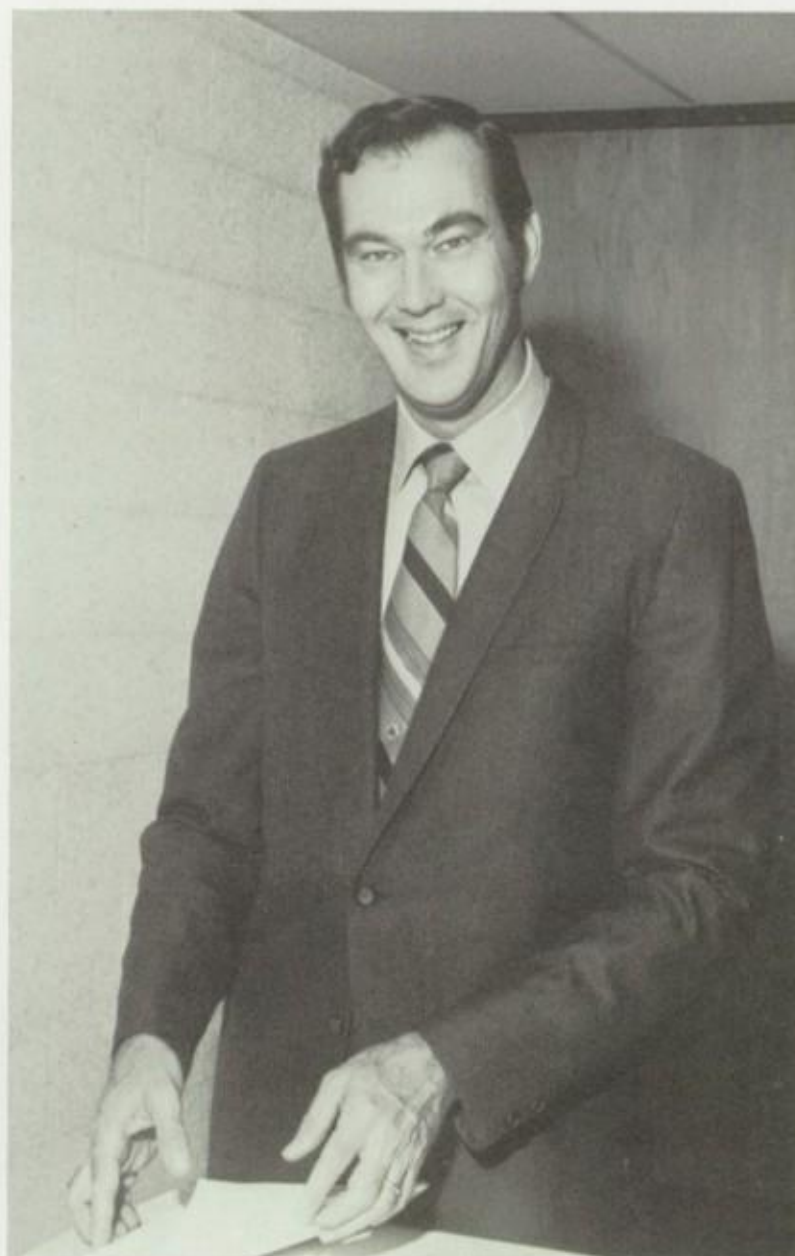

MRS. BETTY STEVENS

Another dedicated person who has helped our school operate smoothly is Mrs. Betty Stevens. Her job entails repeatedly listening to excuses, supplying personal advice, and many other unseen tasks, such as coordinator of organizations. For the past seven years Mrs. Stevens has acted as Girls' Head Coach along with the latter three years as Dean of Girls. But this is her first year as full time Dean.

Her special interests include water skiing, sports, and her two sons.

When asked how she felt about the growing school, Mrs. Stevens commented that as long as we don't become too large and lose the feeling of unity, it's fine, because people need to be close to each other.

MR. RALPH EICHENROHT

A counselor is a friend, continuously eager to help, guide, and proffer advice. Mr. Eichenroht truly fits the description. Easing the numerous inquisitive minds of graduating seniors and anxious juniors is a frequently performed task in his everyday schedule.

Out of fourteen years, the first ten compile as band director years, while the latter were filled with counseling.

Revising schedules and listening to problems add to his work list, but when the time arises, he likes to relax and go hunting and fishing.

Mr. Eichenroht's feelings about open concept revealed that he thought it was a great benefit for students and that it held many possibilities for the future, for better students and teachers.

MISS SPRING HIGH

Pris Munroe's enthusiasm is shown through her many honors she has received here and the many activities she has participated in. She has been a Biology Club and FHA member for three years, and was Treasurer in the Spanish Club her sophomore year. Pris has been a member of the Thesbian Sockin' Buskin Club for two years and last year she played Mrs. John Hutchins in the The Night of January 16th. She was in Jets, Pep Squad, and Youth for Christ, during her junior and senior years. She has also been a member of the Student Council for the past two years, and was Secretary this year. Pris also served her junior year as Treasurer.

She has been awarded many honors by her fellow students. Pris was Homecoming Duchess her sophomore and junior years, and 1971 Homecoming Queen. In her sophomore year, she was Valentine Candidate, and in her junior year she was chosen Football Sweetheart by the team. Pris was elected Most Friendly last year, and was also chosen Most Popular, Most Courteous, and Most Beautiful last year, and this year. 'It is obvious how well Pris Munroe deserves the title of Miss Spring High 1972.

MR. SPRING HIGH

In the two years Ed has attended Spring High School, he has proven that he is willing and able to work for the betterment of the school. He has been on the Varsity Track Team during his junior and Senior year, and has gone to the Regional Meet for the Mile-Run both years. The students proved their faith in Ed by electing him Student Council President for his Senior year.

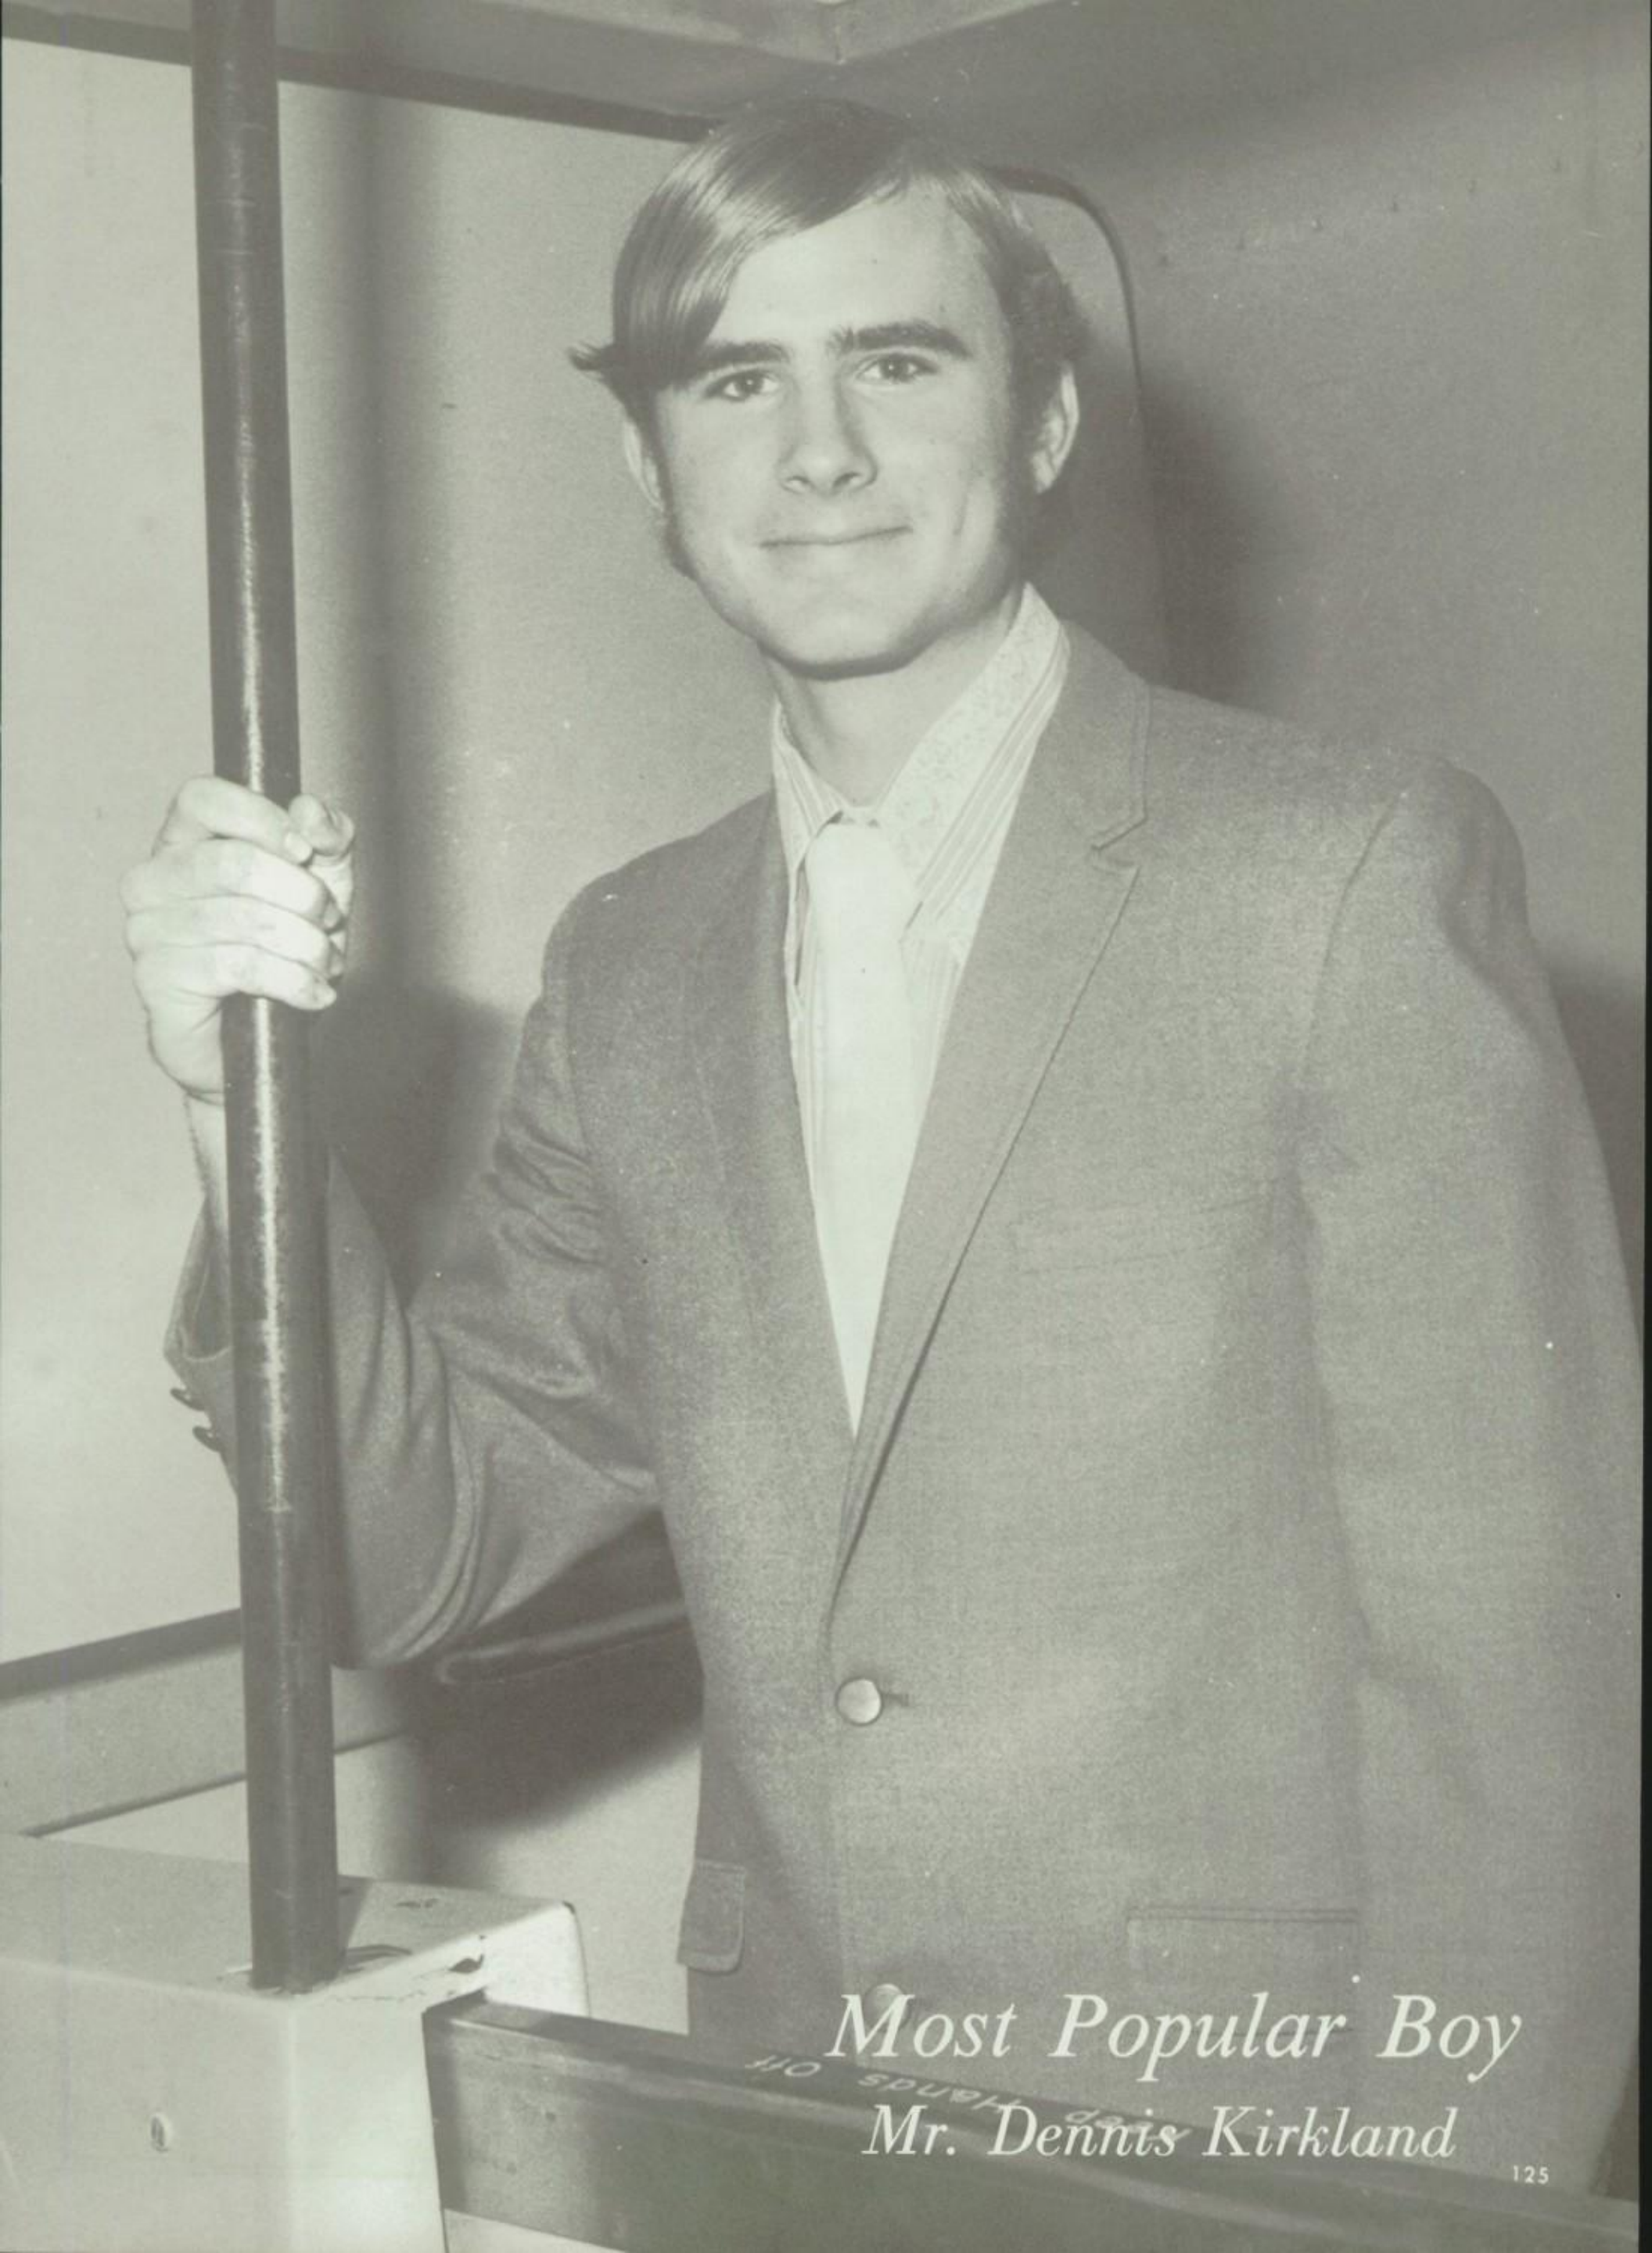

He was chosen Most Likely to Succeed, Most Courteous, Most Friendly, and one of the Top Ten Seniors. These are only a few of the many contributions, which Ed has made to the school. No other person is more deserving for the title of Mr. Spring High of 1972.

Mrs. Koska and Ed share pride in the honor of being named "outstanding."

Informing the student body of approaching activities with daily announcements was an every day task for Ed.

This year's Student Council was elected to the office of Vice-President for their district.

Student Council 1971-1972

These energetic and cooperative people worked to their fullest extent to make this year's student council a more popular and active one than before. Making signs for the District Convention, collecting "toys for tots" at Christmas, and sponsoring dances, all were jobs that kept them busy and involved completely.

Reach Toward New Horizons

FHA members added interest to our school with practical ideas. Worthy projects the group entered this year included a party given at the orphanage, refreshments for Seniors, a faculty brunch, and the Tri-Club Style Show in March.

In the spring, they selected the outstanding members of this year and the officers for next year whom they presented at the annual Parent-Daughter Banquet in May.

1971 Spring Lions

In the Beginning . . .

Spring	34	Huffman	20
Spring	41	Alief	0
Spring	0	Waller	0
Spring	0	Tomball	27
Spring	35	Danbury	12
Spring	26	New Waverly	20
Spring	9	Coldsprings	12
Spring	29	Montgomery	0
Spring	14	Klein	29
Spring	41	New Caney	17

For the first time in two years, the Lions tasted victory. Sometimes they worked and sweated until they were ready to quit, but the smell of victory kept them going. Huffman was the victim on the fateful night when Spring snapped their 20 game losing streak. They went on to victories over Alief, Danbury, New Waverly, Montgomery, and New Caney. Once again the Lions were unable to defeat Tomball, Coldsprings, or rival Klein. But there is always next year.

Faculty Triumphs Over Seniors

In Memoriam

Dewey Farrell

Birth:
The beginning of life.
Life:
That magnificent gift,
Coveted,
Cherished.
Yes, onto life:
Constant toil,
Vale of tears,
Eternal struggle.
Onto infancy and childhood:
A world of miniature friends,
Toys,
Fantasies,
Games,
Polka dots,
Santa Clause,
Dreams,
Comic strips,
And candy,
And Kaleidoscopic colors,
All vague memories.
Onto bigger and better things:
Bigger and better friendships,
Elementary education,
Birthday parties,
Black eyes,
Cowboys and Indians,
Tree houses,
Bigger and better cottoncandy.

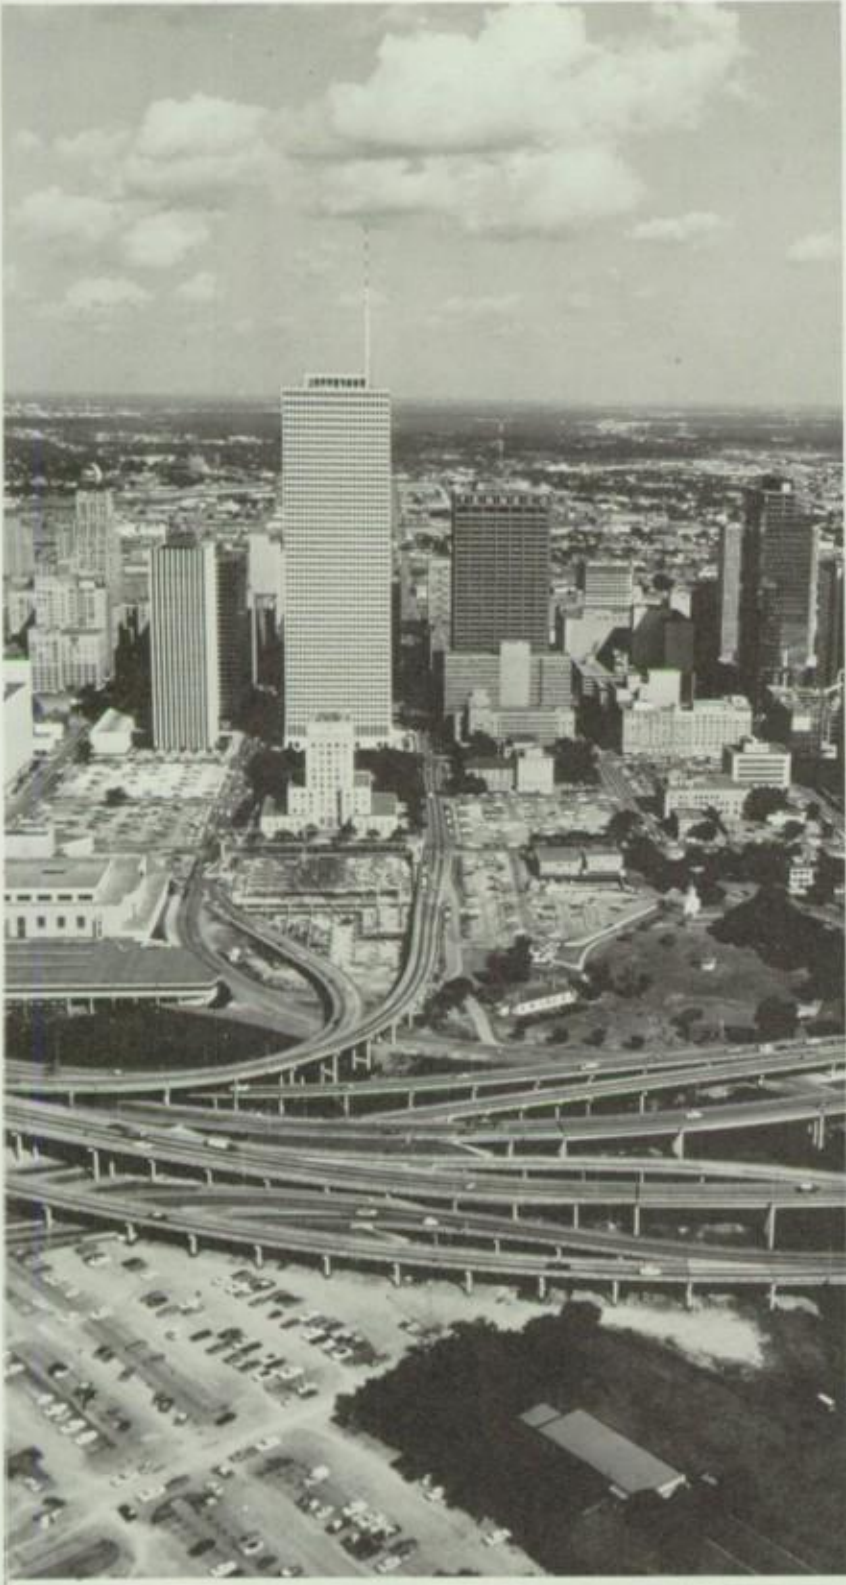

Larry Ward

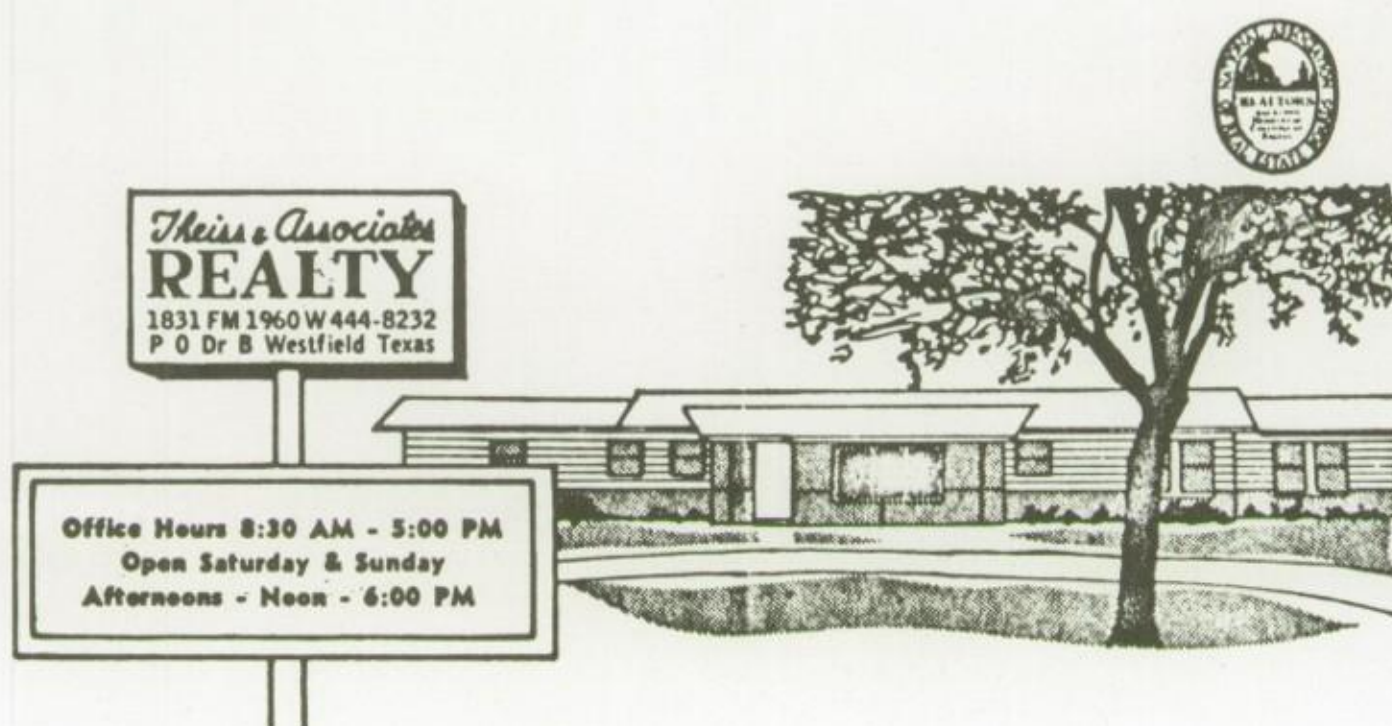

Onto adolescence,
And onto our high school
They came:
A freshman,
A leader,
A great potential.
Onto classes,
Learning:
Onto pep rallies,
Dances,
Football games ...
"Out, brief candle! Out!"
Oh, so much more to be had,
But no ne'er to have it;
And yet:
The battle won,
The empire conquered,
The challenge met -
Victory!
"Out, brief candle! Out!"
So short their life,
So tragic their death:
Yet so beautiful,
So enviable,
Onto eternity,
Fulfillment,
Peace - infinite,
Completion of the cycle,
Death.
